IMPORTANT NOTE: RESPONSIBILITY OF STUDENT

- 1 If you have changed majors, please ensure that all N codes and G codes have been properly applied for by completing the form attainable at the Registry. **This can affect both your GPA and credits attained for graduation if not done.**
- 2 Ensure that you have completed all the procedures for course equivalencies, substitutions, exemptions and /or waivers for courses which you have taken in replacement of any of the above courses. **Students who have not completed the course equivalency, substitutions, exemptions or waivers procedures will not be able to graduate and will be assumed to have taken wrong courses and/or have outstanding courses.**
- 3 Ensure that you have declared your major (and specialization if applicable) and your declared major (and specialization is correct).
- 4 Ensure that the graduation check matches your intake and student number.
- 5 In order to graduate on time, students are responsible for ensuring that they have taken all the necessary courses and have completed the above stated procedures if applicable. FBA will not be responsible for students who cannot graduate on time for these reasons.
- 6 If you have any questions regarding the graduation check, please consult the FBA General Office.
