Become a CPA Australia member - Special offer to university graduates

Dear graduate,

Congratulations on your successful completion of a degree accredited by CPA Australia.

A professional accounting qualification opens up a world of opportunities, including a wide variety of business careers. As one of the world's leading professional accounting bodies, CPA Australia gives you the technical expertise for today plus the knowledge to become a strategic business leader of tomorrow.

Special

offer

The first step to become a member of CPA Australia is to complete the application form. The **first 30 applicants** to submit their application forms (completed and with supporting documents) will receive a free assessment (valued at AUD125).

[+ Download application form](#)

Documents to be submitted with the application form: (original true copies and a set of photocopies)

- + Official transcript of your accredited degree results
- + Certificate or letter of completion certifying the completion of your degree
- + Letter of exemption (if applicable)
- + Academic transcript(s) and certificate(s) if you have received any exemptions, credits or advanced standing in your degree from other studies (if applicable)
- + Hong Kong / National Identity Card and Passport
- + Work testimonial from employers (if applicable)

For further details on CPA Program enrolment, click [here](#) for instructions on selecting the CPA Program segments or contact your [local office](#).
