

Second Call for Papers

The 4th Annual Conference of the Global Chinese Real Estate Congress (GCREC) will be held on July 3 - 5, 2012 at the Grand Hyatt, Macau SAR, China. Hosted by the Faculty of Business and Administration of the University of Macau, this Conference will serve as a platform for the exchange of ideas among scholars, practitioners and government officials from all over the world on the latest developments in the real estate field. There will be both Chinese and English paper sessions (including instant translation at the opening sessions). One special session will be designated for Ph.D. students to present their dissertations.

The Editors of the *Journal of Real Estate* (the official journal of GCREC, in Chinese), the *Journal of Real Estate Research* (a SSCI indexed journal, in English) and the *International Real Estate Review* (the official journal of AsRES and GCREC, in English) will attend this conference, seeking to identify papers that may be suitable for the journals. Papers accepted by the Conference can be considered for Best Paper Awards sponsored by “E-House (China) Holdings Limited” and included in the conference proceedings (with a publication number) at the author’s option. A limited number of rooms in the Macau University dormitory will be available for student participants.

If you would like to present a paper (or serve as a discussant or session chair), please send the paper (or a well-developed abstract) and relevant information to GCREC2012@umac.mo before March 10, 2012. Suggested topics include: Real Estate Cycle and Bubble, Real Estate Pricing and Enterprises, Real Estate Finance and Investment, Real Estate Market and Policies, Green Building and City Sustainability, Urban and Land Economics, Real Estate Taxation and Legal Issues, and Project and Construction Management.
