

Remarks:

- Faculty members who are holding projects supported by the Research Committee and FDCT are invited to provide internship positions
- Duration of the internship is usually three to six months; a longer duration could be considered if the work of the internship is linked with the student's honours project.
- The number of internship hour per month is 60
- The programme is basically on yearly basis; the whole process, including recruiting of interns, commencement of internship, conducting of training, payment and report, is to be completed in the same fiscal year.
