ARRIVAL, COST OF LIVING & ACCOMMODATION

Our university would reserve a dormitory room on campus for each exchange student upon their arrival and the check-in time is 24 hours daily.

■ ARRIVAL INSTRUCTION

After arriving at Macau Airport or Macau Ferry Terminal, take a taxi at the taxi station to the university dormitory - East Asia Hall. You might need to wait in the queue but don't take the illegal taxi as they charge much more. The registered taxi is either yellow or black color with the word "TAXI" written on the car. Remember to show the Dormitory Chinese address (氹仔澳門大學東亞樓) to the taxi driver as they don't speak much English. It costs around MOP \$50-60 (EURO \$5-6) to arrive at our university dormitory.

■ COST OF LIVING

Meals & others entertainment	MOP 2000-2500 (EURO \$200-250) per month
Accommodation	MOP 1200 (EURO \$120) per month, on campus MOP 3500 (EURO \$350) per month, off campus
Utilities bills (electricity, water and gas)	MOP 500 (EURO \$50) per month
Bus-ticket	MOP 220 (EURO \$22).
Books	MOP 150-200 (EURO \$15-20) each.

■ ON CAMPUS ACCOMMODATION – EAST ASIA HALL

UM provides for each exchange student a **on-campus** dormitory room at East Asia Hall (EAH) which was established in 2006. Each room will accommodate two students and NO single room will be assigned to any students due limited availability of rooms. One common bathroom shared by 4 students. At each floor, there is a common living room and a pantry room which has refrigerator and microwave, but no cooking (with fire) is allowed. There are also table tennis room, snooker room, laundry room, a canteen and a convenient store.

The dormitory fee is **MOP 6000 (EURO \$600)** per semester plus **MOP 2000 (EURO200)** as deposit. Utility bills are all included except electricity bills (like air-conditioner, etc), but the university will cover MOP100 (EURO \$10) electricity expense for each student per month. For more details, please visit <http://www.umac.mo/sas/dormitory.html>

■ OFF CAMPUS ACCOMMODATION

If you would like to live single room and **off-campus**, you are responsible to search for your own apartments through the Real Estate Agent. Our office will send you the list of all exchange students by email so that you may search for your own roommates. The monthly rent for an apartment with two or three bedrooms is around HKD 7000–12000 (EURO \$700-1200), depending on the view and furniture equipped, the rent will then shared equally among the number of tenants. Therefore, each

single room is approximately **HKD 3500-4000 (EURO \$350-400)** per person each month. Besides, there is additional cost of electricity, gas and water bills which is around **MOP 400-600 (EURO \$40-60)** per person and the Real Estate Agent will charge one month rent as commission per apartment. For example, a 3 rooms apartment with a monthly rent of HKD9000 per month, you have to pay a total of HKD (3000 rent + 400 utility) x 5 months + 3000 commission = HKD20,000. When you move into the apartment, each student needs to pay extra 2 months rents as deposits (refund immediately when you return the key to the agent or landlord) and 1 month advanced rent. Contract will be signed on semester basis (5 months). Rent should be paid monthly and no refund or deduction of rent will be made even though students stay less than 1 month. The tenants require no insurance or taxes for the apartment, but all the expenditure within the apartment will be paid by tenants after the contract is signed. Upon your arrival to Macau and before you find your own apartment, UM will provide temporary on-campus dormitory at EAH for you at a fee of **MOP100 (Euro \$10)** per night.

GENERAL INFORMATION ABOUT THE APARTMENT ENVIRONMENT

UM is located on the top of a little hill, walking down to the bus-stop is New Century Hotel (with casino). You may find apartments nearby and it takes about 5-10 minutes walking up the slope of the little hill to our university. Around the apartments, you may easily find restaurants (Chinese, Japanese, Taiwanese), Telephone Company, China Bank (where you pay your bills of water, electricity, rent and telephone), Laundry, PhotoShop, Supermarket, McDonald etc...

TIPS FOR RENTING AN APARTMENT

State your requirements (e.g. price, location, size, furniture, etc.) clearly to the Real Estate Agent and he/she will bring you site visit of available apartments. Before you sign any rental agreement, you need to check carefully the conditions of the apartment, its furniture and electrical appliances, etc. Anything that is broken during the rental period will be the responsibility of the tenant. No phone lines at the apartment and you need to apply for a new phone line with the local telecommunication company

OFF-CAMPUS HOUSING DETAILS

Rent Exchange students pay the monthly rent to the owner's bank account.

Water/Electricity Pay the bills in cash at Bank of China in Taipa. (Just opposite or beside the apartments) All current month's bills will be received in the following month. Remember to pay the bills before the deadline as a penalty of MOP100 (EURO \$10) will be charged for any late payments. The bank won't accept any overdue payments which should be settled directly at the Company far in Macau. It is advised to keep all the paid receipts of the bills until you check out of the apartment.

Gas Apartments with central gas need to pay the bills at the Gas Company personally. Apartment with Gas Tin needs to order new tin when finished. Since the company does not speak English, students may seek for assistance from our office to place your delivery order.

Phone All apartments do not have telephones or internet lines. Students need to pay the connection fee (MOP \$1000 = EURO \$100) and monthly bills (MOP \$150 = EURO \$15) if they would like to install one. Please go to CTM (Macau Telephone Company) for more details.

PAY BACK OF RENTAL DEPOSIT BEFORE DEPARTURE – OFF CAMPUS

Make appointment with the landlord and/or Real Estate Agent before the last or 2nd last day of student's departure. They will come to check the apartment, its furniture, etc. If everything is OK

with the apartment, they will return the rental deposit after students return the keys to them. Since the bills of telephone, water, electricity and gas of the current month would only be received in the next month, therefore the landlord will check the bills at the companies and deduct such expenses from the deposit.
