Graduate Opportunities 2015

KPMG is a global network of member firms with over 155,000 people worldwide, including more than 9,000 people across 16 offices in China. We provide audit, tax and advisory services to many of the world's most successful companies.

KPMG is the professional services firm that companies turn to for advice to help them cut through the complexity in making critical decisions. Our client focus, our commitment to excellence, our global mindset and unparalleled delivery build long standing partnerships based on trust and integrity, which are at the core of our business and international reputation.

Joining KPMG means that you will become an integral part of a high achieving and successful team, working together to deliver value to our clients, our people and our communities. You will focus on developing and delivering the technical skills associated with your chosen service line. However, you'll be working in a multi-disciplinary team that delivers a portfolio of services reflecting the changing circumstances of our clients and the markets in which they operate. You will also be given the chance to explore new opportunities, further develop your skills and gain achievements in your career.

We are inviting graduates of 2014 or 2015 to join us. We welcome students from different degree disciplines and with a range of experience. You will need to demonstrate good communication skills, with a real interest in business and a desire to continue learning. We are looking to attract creative individuals that can make an impact, work collaboratively, and have a desire to work with a leading professional services firm. If you are motivated, ambitious, and have the tenacity and drive to make a difference in your career with KPMG, we would like to hear more about you.
