Chih-Ing LIM

Advanced Technical Assistance Specialist at the Frank Porter Graham (FPG) Child Development Institute, UNC-Chapel Hill, USA

Dr. Chih-Ing LIM is an Advanced Technical Assistance Specialist at the Frank Porter Graham (FPG) Child Development Institute. She is the co-chair for the International Initiative strategic planning group at FPG. Her research and professional interests are focused on teacher education and professional development, particularly around innovative approaches and developing web-based resources that can provide early childhood professionals with the ability to acquire and apply knowledge and skills to work with children with diverse abilities. For more info, including CV and papers, please see <http://fpg.unc.edu/profiles/chih-ing-lim> or email to chih-ing.lim@unc.edu.

Abstract

This one-day workshop is designed to help early childhood teachers and directors acquire knowledge and implement evidence-based practices to include children with disabilities in their programs. Throughout the day, participants will have opportunities to apply the information to their own work experiences as well as identify strategies to address their challenges.
