Dear students,

Please be informed of the thesis options regarding the Master's degree as below.

According to the decision of the 7th Senate meeting on 1 July 2014, the following had been approved:

The applied thesis option will be made available to the students who were admitted before academic year 2014/2015 and have been studying at the enclosed master's programmes. Students who want to change to the applied thesis option are required to take one additional 3-credit course in the current or new study plan of their respective programme in accordance with the requirements of the concerned academic unit for graduation. The thesis title "Applied Thesis" and credits will be shown on the transcript of students. The change of thesis option is subject to approval of the Dean/Director of the academic unit concerned.

For details, please consult your own academic units.

Regards,
Graduate School
