Implementation of Online Student Feedback Questionnaires in Academic year 2015/2016

Dear Students,

We want to hear from you!

The University is committed to listening to the views of its students and acting on their feedback. You will soon be invited to complete a range of questionnaires designed to aid the continuous review and improvement of teaching and learning at the University.

All students will be able to access the 2015 Student Feedback Questionnaires (SFQ) through the SIWeb (<https://isw.umac.mo/siweb> → Academic Records) between 17 and 30 November 2015 (inclusive). Some courses have been selected to participate in a pilot run before 17 November 2015.

Your feedback is very important and your identity will remain anonymous. I wish to emphasize that individual respondents will not be identified in any reports.

You will receive emails or text messages reminding you to complete the questionnaires. If you have enrolled in more than one course, you will have to complete one questionnaire for each. If you have any questions, please feel free to email sfgenquiries@umac.mo or contact the General Office of your Faculty/Institute.

We strongly encourage your participation and look forward to your valuable support.

Vice Rector (Academic Affairs)
